CONFLICT OF INTEREST AND FINANCIAL SUPPORT

The undersigned authors agree that any financial interests that exist for individual contributors in connection with this manuscript have been disclosed in the covering letter submitted through Manuscript Central. Sources of financial support of the project are named in the covering letter as well as in the Acknowledgements.

ETHICAL REQUIREMENT

The authors attest that full and informed consent was obtained from human subjects and that the work was performed in accordance with the humane and ethical principles of research outlined in the Helsinki guidelines. In countries where institutional review is established, this statement also attests to the approval of that institution of the protocol for all aspects of the investigation presented in a manuscript involving humans or animals.

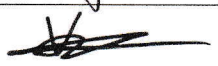

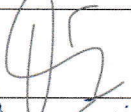

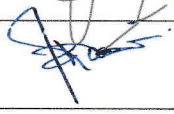

DUPLICATE PUBLICATIONS

The undersigned author(s) certify that neither this manuscript nor one with substantially similar content under their authorship has been published or being considered for publication elsewhere in any language. They also certify that any previous presentations of this paper in meetings are mentioned in the covering letter.

AUTHORSHIP

Author(s) attest that all persons designated as authors qualify for authorship and all those who qualify are listed. All others who contributed to the work but are not authors (if any) are named in the *Acknowledgements* of the manuscript.

In the space marked "Contribution Codes", authors should mark those code letters from the box that designate their own substantive contribution(s) to the paper.
