

Authorship and Copyright Transfer Form

Journal: Journal of Research Development in Nursing and Midwifery (JRDNM)

Manuscript title: Mothers' Experiences of Relactation to Improve Breastfeeding Practices in Tasikmalaya, Indonesia: A Phenomenological Study

Article type: Original Research Article

Authorship Declaration

We confirm that all listed authors meet the authorship criteria recommended by the International Committee of Medical Journal Editors (ICMJE): substantial contribution to the conception or design of the work, or acquisition, analysis, or interpretation of data; drafting or revising the work critically; approval of the final version; and agreement to be accountable for all aspects of the work.

We confirm that the manuscript has not been published previously and is not currently under consideration by another journal.

We confirm that all authors have approved the submitted version and agree to its submission to the Journal of Research Development in Nursing and Midwifery.

We confirm that the order of authorship has been approved by all authors.

Copyright Transfer / Publication Agreement

If the manuscript is accepted for publication, the authors agree to transfer the necessary publication rights to the Journal of Research Development in Nursing and Midwifery according to the journal policies, while retaining rights permitted by the journal's open-access policy.

The authors confirm that the manuscript does not infringe copyright or proprietary rights of any third party and that permissions have been obtained for any reproduced material, if applicable.

No figures or tables reproduced from previously published sources are included in this submission unless permissions are provided.

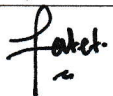

Author Contribution Statement

Please verify and edit initials if needed before signature.
