Copyright Assignment Agreement

I/We hereby assign world-wide copyright of the article named above (the Work) in all forms of media, whether now known or hereafter developed, to the publisher, Tehran University of Medical Sciences. We understand that MJIRI will act on my/our behalf to publish, reproduce, distribute and transmit the Work and will authorise other reputable third parties (such as document delivery services) to do the same, ensuring access to and maximum dissemination of the Work.

This assignment of copyright to MJIRI is done so on the understanding that permission from MJIRI is not required for me/us to reproduce, republish or distribute copies of the Work in whole or in part. We will ensure that all such copies carry a notice of copyright ownership and reference to the original journal publication.

We warrant that the Work has not been published before in its current or a substantially similar form and is not under consideration for another publication, does not contain any unlawful statements and does not infringe any existing copyright. We warrant that "proof of consent" has been obtained for studies of named organisations and people. All authors have received a final version of the work, take responsibility for the content and agree to its submission. We also warrant that We have obtained the necessary permission from the copyright holder(s) to reproduce in the article, in all media in all countries, and transmit via all reputable third parties, any materials including tables, diagrams or photographs not owned by me/us. (Please attach any permission documents.)

We assert our moral rights to be identified as the author(s) of the Work. We acknowledge that MJIRI will ensure fair and faithful representation of my/our Work in all media and will take the necessary steps to protect the Work from unlawful copying.

Signed by/on behalf of the author(s) (either handwritten or scanned):

Full Name: Ruby Riana Aspanni Date: 29/06/2026

Signature: 

Each author(s) will receive 2 copies of the Journal upon publication including their paper.
