

MANUSCRIPT ID NUMBER (If available)

Article title (Sea Hare-Papaya Syrup and Iron Status in Stunted Toddlers: A Controlled Pretest-Posttest Intervention Study)

First Author: Sultan Akbar Toruntju

E-mail: akbartoruntju21@gmail.com

COPYRIGHT

The author(s) guarantee(s) that the manuscript will not be published elsewhere in any language without the consent of the copyright holder(s), that the rights of third parties will not be violated, and that the publisher will not be held legally responsible should there be any claims for compensation.

The Author of the Article as specified herein, hereby transfers copyright to the Dr. KC Chaudhuri Foundation (respective to owner if other than Springer and for U.S. government employees: to the extent transferable) effective if and when the article is accepted for publication. The author warrants that his/her contribution is original and that he/she has full power to make this grant. The author signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature. An author may self-archive an author-created version of his/her article on his/her own website. He/she may also deposit this version in any repository, provided it is not made publicly available until after 12 months of official publication. He/she may not use the publisher's PDF version which is posted on link.springer.com for the purpose of self-archiving or deposit. Furthermore, the author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on Springer's website. The link must be accompanied by the following text: "The original publication is available at link.springer.com".

Please use the appropriate DOI (digital object identifier) for the article (go to the Linking Options in the article, then to Open URL (Uniform Resource Locator) and use the link with the DOI). Articles disseminated via link.springer.com are indexed, abstracted, and referenced by many abstracting and information services, bibliographic networks, subscription agencies, library networks, and consortia.

AUTHORSHIP

I, the undersigned author(s), certify that:

- I have seen and approved the final version of the manuscript, and all subsequent versions.
- I have made substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data;
- I have drafted the article or revised it critically for important intellectual content.

I accept public responsibility for it, and believe it represents valid work. As an author of this article, I certify that none of the material in the manuscript has been previously published, nor is included in any other manuscript. I certify that this manuscript is not under consideration for publication elsewhere, nor has it been submitted or accepted in another publication in any form. The rights or interest in the manuscript have not been assigned to any third party.

Moreover, should the editor of The Indian Journal of Pediatrics request the data upon which the manuscript is based, I shall produce it. I also certify that I have read and complied with the copyright information, as found on the journal home page website.

After submission of this agreement signed by all authors, changes of authorship or in the order of the authors listed will not be accepted by Springer.
