

CONSENT OF AUTHORSHIP AND DISCLOSURE OF POTENTIAL CONFLICT OF INTEREST

Mandatory Submission Form

Manuscript no:

I am aware of the contents and consent to the use of my name as corresponding author on behalf of all the authors of the manuscript entitled

Stoma Outcomes: Systematic Review and Meta-Analysis

which is to be considered for publication in Journal of Health Science and Medical Research. I hereby certify that, to the best of my knowledge

1. This manuscript is not currently under consideration, in press or published elsewhere.
2. This manuscript is truthful, original work without fabrication or plagiarism.
3. I have made a significant scientific contribution to this study. I am familiar with the primary data. I have read the entire manuscript and I take responsibility for its content.
4. No financial support or benefits have been received by myself, by any member of my immediate family or by any individual/entity with whom/which I have a significant relationship from any commercial source, which is related directly or indirectly to the scientific work reported on in this article, except as described below. (I understand that an example of such support would be a consulting fee, support for research activities or a gift).
5. Neither I, nor any member of my immediate family or any individual/entity with whom/which I have a significant relationship has a financial interest in the subject matter discussed in the manuscript (I understand that such a financial interest would be a stock interest in any business entity which is included in the subject matter of the manuscript or which sells a product relating to the subject matter of the manuscript).

If any commercial support is described above, I understand that the staff of the journal will make every effort to keep such information confidential during the editorial process. I also understand that if the manuscript is accepted for publication, you will discuss with me the manner in which such information is to be communicated to the reader. I hereby grant permission for any such information to be included with publication of the manuscript in Journal of Health Science and Medical Research.
