

OPEN ACCESS LICENSE AGREEMENT

PLEASE PROVIDE US WITH THE FOLLOWING INFORMATION, REVIEW THE POLICIES AND THE LICENSE AGREEMENT, AND INDICATE YOUR ACCEPTANCE OF THE TERMS.

Name of the Article: Association between End-Expiratory Right Diaphragm Thickness and Spirometric Indices in Stable Chronic Obstructive Pulmonary Disease: A Cross-Sectional Study

Corresponding Author: Dr. Andika Pradana

CONDITIONS FOR SUBMISSION

We, the Authors affirm the conditions noted below, and confirm that we have reviewed and complied with the relevant Instructions to Authors, Ethics in Publishing policy, Declarations of Interest disclosure.

- The Article we have submitted to the journal for review is original, has been written by the listed Authors and has not been previously published.
- The Article was not submitted for review to another journal while under review by this journal and will not be submitted to any other journal.
- The Article and the Supplemental Materials do not infringe any copyright, violate any other intellectual property, privacy or other rights of any person or entity, or contain any libellous or other unlawful matter.
- We have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in the Article or the Supplemental Materials. The permissions shall be forwarded to M/S Jaypee Brothers Medical Publishers (P) Ltd (Publisher) for use and reprint such material in all versions, forms and media now or hereafter known, including all existing and future copyright and any renewals and extensions thereof anywhere in the world. If such permissions are not obtained in a timely manner, you will provide substitute material, revise the work/contribution accordingly and obtain the requisite substitute permissions, if necessary.
- This Work (i) is not subject to any prior claim, encumbrance or agreement, (ii) will include appropriate warnings of harmful instructions, formulas and procedures, and (iii) will not contain any material that violates any copyright, personal proprietary or other right.
- If relevant, we will obtain medical patient releases from patients if information about them or illustrations of them are used in the work/contribution.

LICENSE TO PUBLISH

We, the Authors, acknowledge and agree that the Article will be published by M/S Jaypee Brothers Medical Publishers (P) Ltd in Indian Journal of Respiratory Care and made freely available to users under the terms of Creative Commons Attribution-NonCommercial ShareAlike 4.0 International Public License, as currently displayed at <https://creativecommons.org/licenses/by-sa/4.0/legalcode> (the "CC

BY-NC-SA"). The Authors acknowledge and agree that Publisher is the exclusive "Licensor", as defined by CC BY-NC-SA. The Authors understand and acknowledge that under Creative Commons the Authors retain ownership of the copyright for their content. No term or condition of this License may be waived except by an agreement by the Publisher in writing.

We, the Authors, hereby grant to M/S Jaypee Brothers Medical Publishers (P) Ltd the right of first publication of the Article and identify itself as the original Publisher. The Authors grant the Publisher, an exclusive right to publish and reproduce the Article, or any part of the Article, in print, electronic and all other media (whether now known or later developed), in any form, in all languages, throughout the world, for the full term of copyright, and the right to license others to do the same, effective when the Article is accepted for publication. This includes the right to enforce the rights granted hereunder against third parties.

EXCLUSIVE LICENSE FOR COMMERCIAL RIGHTS

We, the Authors, hereby assign exclusive commercial re-use rights of the Article published under CC BY-NC-SA licence to M/S Jaypee Brothers Medical Publishers (P) Ltd, and allow a worldwide, royalty free, perpetual (for the duration of the applicable copyright) right and license to use the article for all commercial or educational purposes, including, but not limited to, publishing, reproducing, marketing, distributing (themselves and through distributors), sublicensing, and selling copies of the Article throughout the world for the Term, effective when the Article is accepted for publication. The Authors understand and agree that that all the licensing requests and permissions for commercial use of the Article, will be managed by M/S Jaypee Brothers Medical Publishers (P) Ltd. In the advent of occurrence any dispute, the matter would be resolved within the jurisdiction of New Delhi court

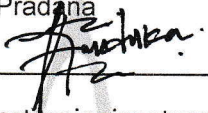

SCHOLARLY COMMUNICATION RIGHTS

We, the Authors, understand that we retain the copyright of the contents of the Article and that no rights in patents, trademarks or other intellectual property rights are transferred to the Journal Owner/ Publisher. As the Authors of the Article, we understand and acknowledge that we shall have the same rights to re-use the Article as those allowed to third party users of the Article under the CC BY-NC-SA license.

We, the Authors, agree to the OPEN ACCESS LICENSE AGREEMENT as shown above, consent to execution and delivery of the Open Access Agreement electronically. We agree and permit the corresponding author to sign on behalf of the listed authors. Upon signing this Agreement, the Authors understand and agree that change in authorship or in the order of the authors listed in the work/contribution will NOT be accepted.

I, the corresponding author, have obtained written permission from all the listed authors to execute this Agreement on their behalf.
