Dear Editor-in-Chief,

We would like to submit our manuscript entitled “Programmed Death-Ligand 1 Immunohistochemical Expression in Invasive Urothelial Carcinoma of the Bladder: Association with Lymphovascular Invasion” for consideration for publication in the Asian Pacific Journal of Cancer Biology.

This manuscript has not been published previously and is not under consideration for publication elsewhere. This study provides novel insights into the association between PD-L1 expression and lymphovascular invasion in invasive urothelial carcinoma, contributing to the understanding of tumor aggressiveness and potential immunotherapeutic implications.

All authors have approved the manuscript and agree with its submission to this journal.

Sincerely,

Dr. dr. Lidya Imelda Laksmi, M.Ked(PA), Sp.PA(K)
