

COPYRIGHT TRANSFER AGREEMENT FORM

The Indonesian Journal of Clinical Pathology and Medical Laboratory (IJCPML) requires a formal written transfer of copyright from the author(s) for each article accepted for publication.

By signing this Copyright Transfer Agreement, the author(s) agree to transfer the copyright of the article to the Indonesian Journal of Clinical Pathology and Medical Laboratory, published by the Indonesian Association of Clinical Pathology and Laboratory Medicine.

The author(s) certify that:

1. The manuscript submitted is an original work, has not been previously published, and is not currently under consideration for publication elsewhere.
2. All authors have made significant contributions to the work and have approved the final version of the manuscript.
3. The corresponding author is authorized by all co-authors to sign this agreement on their behalf.
4. The manuscript does not contain any unlawful statements, does not infringe upon the rights of others, and does not contain material that violates copyright, confidentiality, or any legal obligations.
5. If the manuscript contains figures, tables, or other material from previously copyrighted works, the author(s) have obtained written permission from the copyright holder and properly acknowledged the source in the manuscript.
6. The author(s) confirm that the article is accurate to the best of their knowledge and does not contain misleading or harmful information.

Upon acceptance of the manuscript for publication, the author(s) hereby transfer all copyright ownership of the article to the Indonesian Journal of Clinical Pathology and Medical Laboratory. The publisher reserves the right to reproduce, distribute, and archive the article in any form or medium.

Title of Article:

Diagnostic Accuracy of Plasma 1,5-Anhydroglucitol for Detecting Prediabetes in Obese Young Adults
