(a) Authors Declarations

- 1- The manuscript represents valid work without fabrication or plagiarism.
- 2- I certify that neither this manuscript nor one with substantially similar content under my/our authorship has been published or is being considered for publication elsewhere.
- 3- I understand that the corresponding author is the sole correspondent with the Editorial office on all matters related to this submission. I give the rights to the corresponding author to make necessary changes as per the request of the journal, do the rest of the correspondence on our behalf, and he/she will act as the guarantor for the manuscript on our behalf.
- 4- I agree that the authors' list is correct in this content, order, and affiliation and that no modification to the author's list can be made after acceptance.
- 5- I certify that I have participated sufficiently in the intellectual content, conception, and design of this work or the analysis and interpretation of the data (when applicable), as well as the writing of the manuscript, to take public responsibility for it and have agreed to have my name listed as a contributor. I confirm that I meet the criteria for authorship as established by the ICMJE.
- 6- I attest that, if requested by the editors, the corresponding author will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based for examination by the editors or their assignees.

(b) Ethical Considerations

- 1- I confirm that any aspect of the work that involved human patients or animals has been conducted with the ethical approval of all relevant bodies and that such approvals are acknowledged within the manuscript.

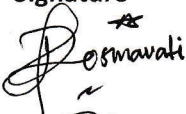

2- I certify that written consent to publish potentially identifying information, such as details of the case and his/her photographs, was obtained from the patient(s) or their legal guardians.

(c) Conflict of Interest and Financial Support

I confirm that any financial interests, direct or indirect, that exist or may be perceived to exist for individual contributors in connection with the content of this paper have been disclosed on the title page. Sources of outside support for the project are named on the title page.

(d) Copyright Transfer

Considering the acceptance of this submission, I now transfer and assign all copyright ownership, including any rights incidental to it, exclusively to the Journal of Dental Materials and Techniques.
