

The undersigned authors hereby transfer, convey, and assign all copyrights in the Article to The Korean Society of Pediatric Gastroenterology, Hepatology and Nutrition (KSPGHAN). The copyright transfer covers the right to print, publish, distribute and sell throughout the world the said Contribution and parts thereof, including all revisions or versions and future editions, in all forms and media.

Following Publication Ethics

The authors certify that I have participated in the intellectual content, the analysis of data, and the writing of the Article, to take public responsibility for it. The authors reviewed the final version of the Article, believe it represents valid work and approve it for publication. The authors certify that none of the material in the manuscript has been published previously, is included in another manuscript. The authors also certify that the Article has not been accepted for publication elsewhere, nor have they assigned any right or interest in the Article to any third party. The authors will obtain and include with the manuscript written permission from any respective copyright owners for the use of any text, figures, and tables that have been previously published. The authors agree that it is their responsibility to pay fees charged for permissions.

Conflict of Interest Disclosure Form

The authors have no commercial association (e.g., consultancies, stock ownership, equity interests or patent-licensing arrangements) that might pose a conflict of interest in connection with the submitted Article, except as disclosed on a separate attachment. All funding sources supporting the work and all institutional or corporate affiliations of mine are acknowledged in a footnote.

Following Research Ethics

I/we have read and agree with the terms and conditions stated on pages about research ethics of this journal. I/we also swear that we had followed the research ethics of this journal throughout performing the study and writing this article.

This document should be signed and faxed or submitted by e-mail to the Editorial Office of *Pediatric Gastroenterology, Hepatology and Nutrition*. Manuscript can not be published until the completed form of copyright transfer form has received by the Editorial Office.
